Honorable Judge Johnson:

I realize that, you may find this letter strange. I was sentenced on November 05, 2009 to 46 months. I accept the sentence, but was very hurt by the allegations made by Prosecutor Silver prior to my sentence.

Obviously, I accept responsibility for my crime but, I do not accept responsibility for the brochure found in my possession at the time of my arrest, it had informations about missiles, and satelite.

As an american citizen, I love this country, therefore, I would never do anything to endanger this country. I had explained that, I did not know this brochure was in my luggage. It was misplaced among construction brochures which were in my possession. I would never do anything that, would endanger National Security. Since sentence, this allegation has been the cause of many sleepless nights.

I felt the need to address the court regarding this matter. I thank you for taking the time to hear me out.

Cc: Defendant's attorney

Sincerely,

Laura Wang-Woodford
